I'm going back to 505 if it's a 7 hours flight or a 45 minute drive
In my imagination you're waiting lying on your side with your hands between your thighs

Dm Em (Sempre uma batida no Dm e uma no Em)

```
Dm                      Em
Stop and wait a sec when you look at me like that

      Dm                      Em
My darling what did you expect? I probably still adore you

      Dm                      Em
with your hands around my neck or I did last time I checked
```
