A E
I have this thing where
B C#m
I get older but just never wiser
A E B C#m
Midnights become my afternoons
A E B
when my depression works the graveyard shift
C#m
All of the people
A E B C#m
I've ghosted stand there in the room
A E B
I should not be left to my own devices
C#m A
They come with prices and vices
E B C#m
I end up in crisis (I've realized all this time)
A E B
I wake up screaming from dreaming
C#m
One day I'll watch as you're leaving
A E B
Cause you got tired of my scheming
C#m
(For the last time)
A E
It's me, hi
B C#m
I'm the problem, it's me
A E B C#m
At tea time, everybody agrees
A E B
I'll stare directly at the sun
C#m
But never in the mirror

A E
It must be exhausting
B C#m
Always rooting for the anti-hero

A E B C#m

A E B C#m
Sometimes I feel like everybody is a sexy baby

A E B C#m
And I'm a monster on the hill

A E
Too big to hang out
B C#m
Slowly lurching towards your favorite city

A E B C#m
Pierced through the heart, but never killed

A E
Did you hear my covert
B C#m A
Narcissism lightly disguised as altruism

E B
Like some kind of congressman
C#m
(I've realized all this time)

A E B
I wake up screaming from dreaming
C#m
One day I'll watch as you're leaving

A E B
And life lose all of its meaning
C#m
(For the last time)

A E
It's me, hi
B C#m
I'm the problem, it's me

A E B C#m
At tea time, everybody agrees

A E B
I'll stare directly at the sun
C#m

But never in the mirror

A E
It must be exhausting

B C#m
Always rooting for the anti-hero

A E B C#m

A E
I have this dream

B C#m
My daughter-in-law kills me for the money

A E B C#m
She thinks I left them in the will

A E
The family gathers around

B C#m
And reads it and someone screams out

A E B C#m
(She's laughing up at us from hell!)

A E
It's me, hi

B C#m
I'm the problem, it's me

A E
It's me, hi

B C#m
I'm the problem, it's me

A E B C#m
It's me, hi, everybody agrees

A E B C#m
Everybody agrees

A E
It's me, hi

B C#m
I'm the problem, it's me

A E B C#m
At tea time, everybody agrees

A E B
I'll stare directly at the sun

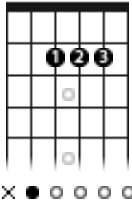

C#m
But never in the mirror

A E
It must be exhausting

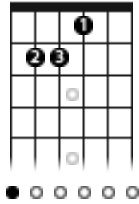

B C#m
Always rooting for the anti-hero

A E B...
