You've been looking for

Just the way you did so easily

what kind of dress you're wearing tonight

If he's holding onto you so tight

I just hope you're lying next to somebody

who knows how to love you like me

Am

Em

There must be a good reason that you're gone

Every now and then I think you

Might want me to come show up at your door

Am

Em

But I'm just too afraid that I'll be wrong

Pre-Chorus:

Don't wanna know
If you're looking into her eyes
If she's holding onto you so tight the way I did
before
I overdosed
should've known your love was a game
Now I can't get you out of my brain
Oh, it's such a shame

we don't talk anymore
we don't talk anymore
