

Everything I Wanted - Billie Eilish

[Intro] D E C#m D

D E C#m D

[Primeira Parte]

D E

I had a dream

C#m D

I got everything I wanted

D E

Not what you think

C#m D

And if I'm being honest

D E

It might have been a nightmare

C#m D

To anyone who might care

D E

Thought I could fly

C#m D

So I stepped off the Golden

D E

Nobody cried

C#m D

Nobody even noticed

D E

I saw them standing right there

C#m D

Kinda thought they might care

[Pré-Refrão]

D E

I had a dream

C#m D

I got everything I wanted

D E

But when I wake up I see

C#m D

You with me

D

And you say

[Refrão]

E

As long as I'm here

C#m D

No one can hurt you

D E

Don't wanna lie here

C#m D

But you can learn to

D E

If I could change

C# D

The way that you see yourself

D E

You wouldn't wonder why here

C#m D

They don't deserve you

[Segunda Parte]

D E

I tried to scream

C#m D

But my head was under water

D E

They called me weak

C#m

Like I'm not just

D

Somebody's daughter

D E

Could've been a nightmare

But it felt like

C#m D

They were right there

D

And it feels like yesterday

E

Was a year ago

C#m D

But I don't wanna let anybody know

D

Cause everybody wants

E

Something from me now

C#m D

And I don't want them down

[Pré-Refrão]

D E

I had a dream

C#m D

I got everything I wanted

But when I wake up I see

C#m D

You with me

And you say

[Ponte]

D E

If I knew it all then

C#m

Would I do it again

D

Would I do it again

D E

If they knew what they said

C#m

Would go straight to my head

D

What would they say instead

D E

If I knew it all then

C#

Would I do it again

D

Would I do it again

D E

If they knew what they said

C#m

Would go straight to my head
