

Leanna Firestone - Least Favorite Only Child

A

Almost pierced my nose

A

In the bathroom out of spite

E

'Cause I had to move back home

E

And my mom and I were in a fight

D

But I just couldn't

N.C.

Guess I'm not that wild

D E

And I don't wanna stay

N.C.

Her least favorite only child

[Verse 2]

A

Almost crashed my car

A

Into a light pole just to say I did it

E

I don't wanna die

D

I just want people to think I could've

D

So the next time that they see me

D

They'll hold me a little tighter

E

And think about how sad it'd be if I wasn't alive anymore

[Pre Chorus]

D

And I know that it's probably selfish

A

And I shouldn't think like that

D

So what if I do it for attention?

E Am

Would that really be so bad?

[Chorus]

A

'Cause I'm not gonna do it

Just gonna think about it a lot

E

And I'm not a danger to myself or others

I know it's what it sounds like

D

But I swear I'm not

D

I just wanna feel different

D

Than what I've felt before

E

And I don't wanna be my mom's least favorite only child anymore

[Verse 3]

A

Almost ran away

I packed my car and took the keys

E

Just to see if I disappeared

E

Would anyone even look for me?

D

I cut and dyed my hair to try to feel like someone new

E

But I couldn't escape myself

E

No matter how badly I wanted to

[Pre Chorus]

D

And I know that it's probably selfish

A

And I shouldn't think like that

D

So what if I do it for attention?

E Am

Would that really be so bad?

[Chorus]

A

'Cause I'm not gonna do it

Just gonna think about it a lot

E

And I'm not a danger to myself or others

I know it's what it sounds like

D

But I swear I'm not

D

I just wanna feel different

D

Than what I've felt before

E

And I don't wanna be my mom's least favorite only child anymore

[Pre Chorus]

D

And I know that it's probably selfish

A

And I shouldn't think like that

D

So what if I do it for attention?

E Am

Does that really make me bad?

[Chrous]

A

'Cause I'm not gonna do it

Just gonna think about it a lot

E

And I'm not a danger to myself or others

I know it's what it sounds like

D

But I swear I'm not

D

I just wanna feel different

D

Than what I've felt before

E

And I don't wanna be my mom's least favorite only child anymore

[Outro]

A

And I know I should be kinder to my body and my mind

E

And things are gonna get better if I just give myself more time

D

I've got the rest of my life

D

To feel different than I do

E

And being my mom's least favorite only child must mean

A

That I'm her favorite too
