

## Leaving My Love Behind - Lewis Capaldi

A            Bm            F#m E

I don't know how we got to where we are

A    Bm            F#m E

So far removed, I don't know where to start

A    Bm    F#m

'Cause I've been away for far too long

E            A

But I implore you, please hold on

Bm            F#m E

I beg you, please hold on

[Pré-Refrão]

D            F#m    E

Love don't come easy to us

A    D

And it's killing me to hang on

F#m    E

And hope it's enough

[Refrão]

A Bm

So, I was just wondering

Bm F#m

Could you tell me, is it all a waste of time?

F#m D

Are you leaving my love behind?

D A

Baby, say the word and let me know

A Bm

You gotta give me something

Bm F#m

I swear that I won't try to change your mind

F#m D

If you're leaving my love behind

D A

Baby, say the word and let me go

( A Bm F#m E )
