

Love by Grace - Lara Fabian - Tom G

G A D
I remember the rain on the roof that morning

 A Bm Bm
And all the things that I wanted to say

G A
The angry words that came from nowhere

 D
without warning

 A Bm Bm
That stole the moment and sent me away

G A G
And you standing there at the doorway crying

 G (A)
And me wondering if I'd ever be back

 D
I said I didn't come here to leave you

 G
I didn't come here to lose

 F#m G
I didn't come here believing I would ever be

A
away from you

D
I didn't come here to find out

G G
There's a weakness in my faith

Em D G
I was brought here by the power of love

Bm A G
Love by grace

G A D
And I remember the road just went on forever

A Bm Bm
Just couldn't seem to turn that car around

G A D
'Till in the distance like a long lost treasure

Bm Bm
A phone booth that just could not be found

G A
And you standing there at the doorway waiting

G (A)
And the moment when we laid back down

D
I said I didn't come here to leave you
