

**Reflections - The Neighbourhood - Cifra Principal (violão e guitarra) -
Tom F**

[Verso 1]

Am F

Where have you been?

Dm

Do you know when you're coming back?

Am F

'Cause since you've been gone

Dm E

I've got along but I've been sad

[Pré-Refrão]

Am

I tried to put it out for you to get

F

Could've, should've but you never did

Dm

Wish you wanted it a little bit

Dm

More but it's a chore for you to give

[Refrão]

Am F

Where have you been?

Dm

Do you know if you're coming back?

[Refrão]

Am G

We were too close to the stars

F Dm G

I never knew somebody like you, somebody

Am G

Falling just as hard

F Dm G

I'd rather lose somebody than use somebody

Am G F Dm

Maybe it's a blessing in disguise (I see

G

myself in you)

Am G F Dm G

I see my reflection in your eyes

[Verso 2]

Am F

I know you're sick

Dm

Hoping you fix whatever's broken

Am F

Ignorant bliss

Dm E

And a few sips might be the potion

[Pré-Refrão]

Am

I tried to put it out for you to get

F

Could've, should've but you never did

Dm

Wish you wanted it a little bit

Dm

More but it's a chore for you to give

[Refrão]

Am F

Where have you been?

Dm

Do you know if you're coming back?

[Refrão]

Am G

We were too close to the stars

F Dm G

I never knew somebody like you, somebody

Am G

Falling just as hard

F Dm G

I'd rather lose somebody than use somebody

Am G F Dm

Maybe it's a blessing in disguise (I see

G

myself in you)

Am G F Dm G

I see my reflection in your eyes

[Ponte]

C Am

So close, so close

G

Yet so far away (so far)

Dm

I don't know (I don't)

Am

How to be solo (no)

G

So don't go, oh, no, just stay

You and I were bright, shooting through the

F

sky daily (yeah)

Lighting up the night, wasn't always right,

Am

baby (mhm)

F

Yeah, every time that we realised it's crazy

And you save me

[Refrão]

Am

G

We were too close to the stars

F

Dm

G

I never knew somebody like you, somebody

Am

G

Falling just as hard

F

Dm

G

I'd rather lose somebody than use somebody

Am G F Dm

Maybe it's a blessing in disguise (I see

G

myself in you)

Am G F Dm G

I see my reflection in your eyes
